

I wanna heal

Fill in the gaps

Somewhere I Belong by Linkin Park

(When this began)	I wanna feel
I had nothing to say	What I thought was never real
And I'd get lost in the nothingness inside of me	I wanna let go of the pain I've felt so long
(I was confused)	(Erase all the pain till it's gone)
And I let it all out to find	I wanna heal
That I'm not the only (1) with (2)	I (16) feel
things in mind	Like I'm close to something real
(Inside of me)	I wanna find something I've wanted all along
But all that (3) can see the words revealed	Somewhere I belong
Is the only (4) (5) that I've got left to	I will never know
feel	Myself until I do this on my own
(Nothing to lose)	And I (17) never feel
Just stuck, hollow and alone	Anything else until my wounds are healed
And the fault is my own	I will never be
And the fault is my own	Anything till I break away from me
I wanna heal	I (18) break away
I (6) feel	I'll find myself today
What I thought was never real	I wanna heal
I wanna let go of the pain I've felt so long	I wanna feel
(Erase all the pain (7) it's gone)	What I thought was never real
I wanna to heal	I wanna let go of the (19) I've felt so long
I (8) to feel	(Erase all the (20) till it's gone)
Like I'm (9) to something real	I wanna heal
I (10) l've	I wanna feel
(12) all along	Like I'm close to something real
Somewhere I belong	I (21) find something I've wanted all along
And I've got nothing to say	Somewhere I belong
I can't believe I didn't fall (13) down on my face	I wanna heal
(I was confused)	I wanna (22) like I am
Looking (14) only to find	Somewhere I belong
That it's not the way I had imagined it all in my mind	I wanna heal
(So (15) am I)	I wanna (23) like I am
What do I have but negativity	Somewhere I belong
'Cause I can't justify way everyone is looking at me	Somewhere I belong
(Nothing to lose)	
Nothing to gain, hollow and alone	
And the fault is my own	
And the fault is my own	

1. person

- 2. these
