## Fill in the gaps

## (When this began) I wanna feel I had nothing to say What I thought was (6)\_\_\_\_\_ real I wanna let go of the (7)\_\_\_\_\_ I've felt so long And I'd get lost in the nothingness inside of me (I was confused) (Erase all the pain till it's gone) And I let it all out to find I wanna heal That I'm not the only person with these things in mind I wanna feel (Inside of me) Like I'm close to (8)\_\_\_\_ But all that they can see the words revealed I wanna find something I've wanted all along Is the only real thing that I've got left to feel Somewhere I belong (Nothing to lose) I will never know Just stuck, hollow and alone Myself until I do this on my own And the fault is my own And I will never feel And the fault is my own Anything else until my wounds are healed I (1)\_\_\_\_ \_\_\_\_ heal I will never be Anything till I break away from me I wanna feel What I thought was never real I will break away I'll find myself today... I wanna let go of the pain I've felt so long (Erase all the pain till it's gone) I wanna heal I wanna to heal I wanna feel I wanna to feel What I thought was never real I wanna let go of the pain I've felt so long Like I'm close to something real (Erase all the pain till it's gone) I wanna find something I've (2)\_\_\_\_ Somewhere I belong I wanna heal \_\_\_ to say And I've got (3)\_\_\_\_\_ I wanna feel \_\_\_\_\_ I didn't fall right down on my face I can't (4)\_ Like I'm close to something real (I was confused) I wanna find something I've wanted all along Looking everywhere only to find Somewhere I belong... That it's not the way I had imagined it all in my mind I wanna heal (So what am I) I wanna feel like I am... What do I have but negativity Somewhere I belong 'Cause I can't (5)\_\_\_\_\_ way everyone is looking I wanna heal at me I wanna (9)\_\_\_\_\_ like I am... (Nothing to lose) Somewhere I belong... Nothing to gain, hollow and alone Somewhere I belong... And the fault is my own
