# Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the (1)_____ of life

And my (2)_____ is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the (3)_____ are one

You're sleeping in the fire

Taste the love

The Lucifer's (4)_____ that makes you numb

You feel what it (5)_____ and you're drunk on love

You're sleeping in the fire

I gaze at the (6)_____ and fire burn

And cry out the name of which I yearn

The Lucifer's magic that makes you numb
