### Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And your fingers in the fire

Look, look in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's (1)\_\_\_\_\_ that makes you numb

The (2)\_\_\_\_\_ and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's magic (3)\_\_\_\_\_ makes you numb

You (4)\_\_\_\_\_ what it (5)\_\_\_\_\_ and you're drunk on love

You're (6)\_\_\_\_\_ in the fire

I gaze at the flame and fire burn

And cry out the name of (7)\_\_\_\_\_ I yearn
