Sleeping In The Fire by Wasp

Touch, touch in the flame's desires

Feeling the pain's denial,

And (1)_____ fingers in the fire

Look, look in the candle light

See in the flame of life

And my spell is our lie

[Chorus:]

Taste the love

The Lucifer's magic that makes you numb

The passion and all the pain are one

You're sleeping in the fire

Taste the love

The Lucifer's (2)_____ that (3)_____ you numb

You (4)_____ (5)_____ it (6)_____ and you're drunk on love

You're sleeping in the fire

I (7)_____ at the flame and fire burn
