#### Ain't No Rest For The Wicked by Cage The Elephant

I was walking down the street	Money don't grow on trees
When out the corner of my eye	I got bills to pay
I saw a pretty little thing approaching me	I got mouths to feed
She said "I've never seen a man	There ain't nothing in this (5) for free
Who looks so all alone	I know I can't slow down
Could you use a (1) company?	I can't hold back
If you can pay the right price	Though you know, I wish I could
Your evening will be nice	Oh no, (6) ain't no rest for the wicked
And you can go and send me on my way"	Until we close our eyes for good"
I said "You're such a sweet young thing	
Why you do this to yourself?"	Now a couple hours have passed
She looked at me and this is what she said:	And I was sitting at my house
"Oh, there ain't no rest for the wicked	The day was winding (7) and coming to an end
Money don't grow on trees	So I turned on the TV
I got bills to pay	And flipped it over to the news
I got mouths to feed	And what I saw I almost couldn't comprehend
There ain't nothing in this world for free	I saw a preacher man in cuffs
I know I can't slow down	He'd (8) money from the church
I can't hold back	He stuffed his bank account with righteous dollar bills
Though you know, I wish I could	But even still I can't say much
Oh no, there ain't no rest for the wicked	Because I know we're all the same
Until we close our eyes for good"	Oh yes we all seek out to satisfy those thrills
Not (2) fifteen minutes later	"You know there ain't no rest for the wicked
I'm still walking down the street	Money don't grow on trees
When I saw the (3) of a man creep out of	We got bills to pay
sight	We got mouths to feed
And then he sweeped up from behind	There ain't (9) in this world for free
He put a gun up to my head	I know we can't slow down
He made it clear he wasn't looking for a fight	We can't hold back
He said "Give me all you've got	Though you know, we wish we could
I want your money not your life	Oh no there ain't no rest for the wicked
But if you try to make a move I won't think twice"	Until we close our eyes for good"
I go like "You can have my cash	
But first you (4) I got to ask	
What made you want to live this kind of life?"
