Snow (Hey Oh) by Red Hot Chili Peppers

Come to decide that the things that I tried	Running to the field (14) all my tracks
Were in my (1) just to get high on	(15) be concealed
When I sit alone come get a little known	And there's nowhere to go
But I need more than myself (2) time	
Step from the road to the sea to the sky	When to descend to amend for a friend
And I do believe it, we rely on	All the channels (16) have broken down
When I lay it on come get to play it on	Now you bring it up, I'm (17) ring it up
All my life to sacrifice	Just to hear you sing it out
(Hey oh), listen what I say, (oh)	Step from the road to the sea to the sky
I got your (hey oh), now (3) what I say, (oh)	And I do believe what we rely on
When will I know that I really can't go	When I lay it on, come get to play it on
To the well (4) more time to decide on	All my life to sacrifice
When it's (5) me, when will I really see	(Hey oh), listen what I say, (oh)
All that I need to look inside	I got your (hey oh), listen what I say, (oh)
Come to (6) that I better not leave	The more I see, the (18) I know
Before I get my chance to ride	The (19) I like to let it go
When it's (7) me, (8) do I really	(Hey oh, whoa)
need	Deep beneath the cover of another perfect wonder
All that I (9) to look inside	Where it's so white as snow
(Hey oh), listen what I say, (oh)	Privately (20) by a world so undecided
Come back and (hey oh), (10) at what I say, (oh)	And there's nowhere to go
The more I see, the less I know	In (21) the (22) of another
The more I like to let it go	perfect wonder
(Hey oh, whoa)	Where it's so white as snow
Deep (11) the cover of another perfect	Running through the (23) where all my
wonder	(24) will be concealed
Where it's so white as snow	And there's (25) to go
Privately (12) by a world so undecided	I said (hey, hey yeah, oh yeah)
And there's nowhere to go	Tell my love now
In (13) the cover of another perfect wonder	(Hey, hey yeah, oh yeah)
And it's so white as snow
