Fill in the gaps

Snow (Hey Oh) by Red Hot Chili Peppers

Come to decide that the things that I tried	Running to the field (6) all my tracks will be
Were in my life (1) to get high on	concealed
When I sit alone come get a little known	And there's nowhere to go
But I need more than myself this time	
Step from the road to the sea to the sky	When to descend to amend for a friend
And I do believe it, we rely on	All the channels that have broken down
When I lay it on come get to play it on	Now you bring it up, I'm gonna ring it up
All my (2) to sacrifice	Just to hear you sing it out
(Hey oh), listen what I say, (oh)	Step from the (7) to the sea to the sky
I got your (hey oh), now listen what I say, (oh)	And I do believe what we rely on
When (3) I know that I really can't go	When I lay it on, come get to play it on
To the well once more time to decide on	All my life to sacrifice
When it's killing me, when will I really see	(Hey oh), listen what I say, (oh)
All that I need to look inside	I got your (hey oh), listen what I say, (oh)
Come to believe that I better not leave	The more I see, the less I know
Before I get my (4) to ride	The more I (8) to let it go
When it's killing me, what do I really need	(Hey oh, whoa)
All that I need to look inside	Deep beneath the cover of (9) perfect
(Hey oh), listen what I say, (oh)	wonder
Come back and (hey oh), look at what I say, (oh)	Where it's so white as snow
The more I see, the (5) I know	Privately divided by a world so undecided
The more I like to let it go	And there's nowhere to go
(Hey oh, whoa)	In between the cover of another perfect wonder
Deep beneath the cover of another perfect wonder	Where it's so white as snow
Where it's so white as snow	Running through the field where all my tracks will be
Privately divided by a world so undecided	concealed
And there's nowhere to go	And there's nowhere to go
In between the cover of another perfect wonder	I said (hey, hey yeah, oh yeah)
And it's so white as snow	Tell my love now
	(Hev. hev yeah, oh yeah)

- 1. just
- 2. life
- 3. will
- 4. chance
- 5. less
- 6. where
- 7. road
- 8. like
- 9. another
