

Fill in the gaps

God bless us everyone	No!
We're a broken people (1) (2)	And when I close my eyes tonight
loaded gun	To symphonies of blinding light
And it can't be outfought	God save us everyone
It can't be outdone	Will we burn inside the fires of a thousand suns?
It can't outmatched	Oh!
It can't be outrun, no!	Like (7) in cold decay
God bless us everyone	Transmissions echoing away
We're a broken people living (3)	Far from the (8) of you and I
(4) gun	Where oceans bleed into the sky
And it can't be outfought	Like memories in cold decay
It can't be outdone	Transmissions echoing away
It can't outmatched	Far from the world of you and I
It can't be outrun	Where oceans bleed into the sky
No!	Lift me up
And when I close my eyes tonight	Let me go
To symphonies of blinding light	Lift me up
God bless us everyone	Let me go
We're a broken people living (5) loaded gun	Lift me up
Oh!	Let me go
Like memories in cold decay	Lift me up
Transmissions echoing away	Let me go
Far from the world of you and I	Lift me up
Where oceans bleed into the sky	Let me go
God save us everyone	Lift me up
Will we burn inside the fires of a thousand suns?	
For the sins of our hand	God bless us everyone
The sins of our tongue	We're a broken people (9) under loaded gun
The sins of our father	And it can't be outfought
The sins of our young	It can't be outdone
No!	It can't outmatched
God save us everyone	It can't be outrun
Will we burn (6) the fires of a thousand suns?	
For the sins of our hand	
The sins of our tongue	
The sins of our father	
The sins of our young
