

Fill in the gaps

(Ooooooh, ooooooh, hey!)	I want you to know
It's seventy two degrees, zero chance of rain	The morning's on (14) way
It's been a perfect day	Our friends all say goodbye
We're all (1) on our heels, so far away	There's nowhere else to go
from real	I hope that you'll (15) the night
In California, (hey)	(Ooooooh)
We watched the (2) (3) our car, we	You'll stay the night
all took it in	(Ooooooh yeah)
And by the time that it was dark	Just like the song on our (16) set
You and me had something, (yeah)	We'll share the shelter of my (17) bed
And if (4) is what we've got	But (18) a different tune
Then (5) we've got is gold	(19) in my head
We're shining bright and I want you	And it goes
I (6) you to know	If (21) is (22) we've got
The morning's on it's way	Then what we've got is gold
Our friends all say goodbye	We're shining bright and I want you
There's nowhere (7) to go	I (23) you to know
I (8) that you'll stay the night	The morning's on it's way
(Ooooooh)	Our friends all say goodbye
You'll stay the night	There's nowhere (24) to go
(Ooooooh yeah)	I hope (25) you'll stay the night
We've been singing Billie Jean	If this is what we've got
Mixin' vodka (9) caffeine	Then what we've got is gold
We've got strangers stopping by	We're shining bright and I want you
And (10) you're out of tune	I (26) you to know
Girl you blow my mind, you do	The morning's on it's way
And I'll say I don't wanna say (11) night	Our friends all say goodbye
There's no quiet (12) to get to know each	There's (27) else to go
other	I hope that you'll (28) the night
And there's no hurry I'm a patient man	
Is your discover	
Cause if this is what (13) got	
Then what we've got is gold	
We're shining bright and I want you
