## Stay The Night by James Blunt

We're shining bright and I want you

## Fill in the gaps

(Ooooooh, ooooooh, hey!)		I want you to know	
It's seventy two degrees, zero chance of rain		The morning's on it's way	
t's (1) a perfect day		Our friends all say goodbye	
We're all spinning on our heels, so far (2) from real		There's nowhere else to go	
In California, (hey)		I hope that you'll stay the night	
We watched the sunset from our car, we all took it in		(Ooooooh)	
And by the time that it was dark		You'll stay the night	
You and me had something, (yeah)		(Ooooooh yeah)	
And if this is what we've got		Just like the (6) on our radio set	
Then what we've got is gold		We'll share the shelter of my single bed	
We're shining (3)	and I want you	But it's a different tune (7)	stuck in my
I want you to know		head	
The morning's on it's way		And it goes	
Our friends all say goodbye		If this is what we've got	
There's nowhere else to go		Then what we've got is gold	
I hope that you'll stay the night		We're shining bright and I want you	
(Ooooooh)		I want you to know	
You'll stay the night		The morning's on it's way	
(Ooooooh yeah)		Our friends all say goodbye	
We've been singing Billie Jean		There's nowhere else to go	
Mixin' vodka with caffeine		I hope that you'll stay the night	
We've got strangers stopping by		If this is what we've got	
And though you're out of tune		Then what we've got is gold	
Girl you blow my mind, you do		We're shining bright and I want you	
And I'll say I don't wanna say good night		I want you to know	
There's no quiet corner to get to know each other		The (8) on it's v	way
And there's no hurry I'm a patient man		Our friends all say goodbye	
ls (4) discover		There's nowhere (9) to go	
Cause if (5) is what we've got		I hope that you'll stay the night	
Then what we've got is gold
