## Ridin' Solo by Jason DerÃ1/4lo

## Fill in the gaps

(yey yean, yean, yean)	Loving myself makes me wanna sing
I'm feeling (1) a star, you can't (2) my	(Oh, oh yeah, yeah, yeah, yeah)
shine	Telling me to get myself together
I'm loving (3) nine, my head's in the sky	Now I got myself together, yeah
I'm solo, I'm riding solo	Now I made it through the weather
I'm riding solo, I'm ridin solo, solo	Better (16) are gonna get better
Yeah, I'm feeling good tonight	I'm so sorry that it didn't work out
Finally doing me and it feels so right, oh	I'm moving on
Time to do the things I like	I'm so sorry but it's over now
Going to the (4) everything's alright, oh	The pain is gone
No one to answer to	I'm putting on my shades
No one that's gonna argue, no	To cover up my eyes
And (5) I got the hold off me	I'm jumpin' in my ride
I'm living (6) now that I'm free, yeah	I'm heading out tonight
Telling me to get myself together	I'm solo, I'm riding solo
Now I got myself together, yeah	I'm riding solo, I'm riding solo, solo
Now I made it through the weather	I'm (17) like a star, you can't stop my shine
Better days are gonna get better	I'm loving cloud nine, my head's in the sky
I'm so (7) that it didn't work out	I'm solo, I'm riding solo, I'm riding solo, I'm riding solo, solo
I'm moving on	Solo I'm riding solo, yeah
I'm so (8) but it's over now	It's like S O L O
The pain is gone	S O L O, S O L O
I'm putting on my shades	Living my life and got (18) no more
To (9) up my eyes	I'm putting on my shades
I'm jumpin' in my ride	To cover up my eyes
I'm heading out tonight	I'm jumpin' in my ride
I'm solo, I'm riding solo	I'm heading out tonight
I'm riding solo, I'm (10) solo, solo	I'm solo, I'm riding solo
I'm feeling (11) a star, you can't stop my shine	I'm riding solo, I'm riding solo, solo
I'm (12) cloud nine, my head's in the sky	I'm feeling like a star, you can't stop my shine
I'm solo, I'm riding solo	I'm (19) (20) nine, my head's in
I'm (13) solo, I'm riding solo, solo	the sky
Now I'm feeling how I should	I'm solo, I'm (21) solo, I'm riding solo, I'm
Never knew single could feel (14) good, oh	(22) solo, solo
Stop playing (15) understood	I'm riding solo, I'm riding solo, solo
Back in the game, who knew I would, oh	I'm riding solo, solo
So fly how I spread my wings
