From underneath the trees, we watch the sky	If (12) cared and (13)
Confusing stars for satellites	cried
I never dreamed that you'd be mine	If everyone loved and nobody lied
But here we are, we're here tonight	If everyone shared and swallowed their pride
Singing, "Amen I, I'm alive"	Then we'd see the day when (14) died
(I'm alive)	When nobody died
Singing, "Amen I, I'm alive"	And as we lie (15) the stars
If (1) cared and nobody cried	We realize how (16) we are
If everyone loved and nobody lied	If (17) could love (18) you and me
If everyone shared and swallowed (2) pride	Imagine what the world could be
Then we'd see the day when nobody died	If everyone cared and (19) cried
And I'm singing	If (20) loved and nobody lied
Amen I, Amen I, I'm alive	If everyone shared and swallowed their pride
Amen I, Amen I, (3) I	Then we'd see the day when nobody died
(I'm alive)	If (21) cared and (22)
And in the air the fireflies	cried
Our (4) light in paradise	If (23) loved and (24)
We'll (5) the world (6) were wrong	lied
And teach (7) all to (8) along	If everyone shared and swallowed their pride
Singing, "Amen I, I'm alive"	Then we'd see the day when (25) died
(I'm alive)	We'd see the day, we'd see the day
Singing, "Amen I, I'm alive"	(When nobody died)
If (9) cared and nobody cried	We'd see the day, we'd see the day
If everyone (10) and nobody lied	(When (26) died)
If everyone shared and swallowed their pride	We'd see the day
Then we'd see the day (11) nobody died	(When nobody died)
