

## No It Isn't by Plus 44

### Fill in the gaps

Please understand  
This isn't just goodbye  
This is I can't stand you  
This is where the road crashed into the ocean  
It rises all around me  
And now we're barely breathing  
A thousand faces we'll choose to ignore  
Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that lead us past the lives that we destroy  
I listen to you cry  
A cry for less attention  
But both my hands are tied  
And I'm pushed (1)\_\_\_\_\_ the (2)\_\_\_\_\_ end  
I listen to you talk but talk is cheap  
And my mouth is (3)\_\_\_\_\_ with blood  
From trying not to speak  
So search for an excuse  
And (4)\_\_\_\_\_ to believe you  
In foreign dressing rooms

I'm empty with the need to  
Curse my enemies forever  
Let's slit our wrists and burn (5)\_\_\_\_\_ something  
beautiful  
This desperation leaves me overjoyed  
With fading lights that lead us past the lives that we destroy  
Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation is leaving me overjoyed  
With fading lights that lead us past the lives that we destroy  
Please understand  
Lay (6)\_\_\_\_\_ where I fall  
I'm dead from bad intentions  
Suffocated and embalmed  
And now all our (7)\_\_\_\_\_ are cashed in  
You swore you wouldn't lose then (8)\_\_\_\_\_ your brain  
You make a sound that feels like pain  
So (9)\_\_\_\_\_ understand  
This isn't (10)\_\_\_\_\_ goodbye  
This is I can't stand you

## Fill in the gaps

Answer

1. into
2. deep
