

## Fill in the gaps

### No It Isn't by Plus 44

Please understand  
This isn't just goodbye  
This is I can't stand you  
This is where the road crashed into the ocean  
It (1)\_\_\_\_\_ all around me  
And now we're (2)\_\_\_\_\_ breathing  
A thousand faces we'll choose to ignore  
Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that lead us (3)\_\_\_\_\_ the lives that we  
destroy  
I listen to you cry  
A cry for less attention  
But both my hands are tied  
And I'm (4)\_\_\_\_\_ into the deep end  
I listen to you (5)\_\_\_\_\_ but talk is cheap  
And my mouth is filled with blood  
From trying not to speak  
So search for an excuse  
And someone to believe you  
In foreign dressing rooms

I'm empty (6)\_\_\_\_\_ the need to  
Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation leaves me overjoyed  
With fading lights that lead us past the lives that we destroy  
Curse my enemies forever  
Let's slit our wrists and burn down something beautiful  
This desperation is (7)\_\_\_\_\_ me overjoyed  
With fading lights that lead us past the lives that we destroy  
Please understand  
Lay rotting where I fall  
I'm dead from bad intentions  
Suffocated and embalmed  
And now all our dreams are cashed in  
You swore you wouldn't lose then lost (8)\_\_\_\_\_ brain  
You (9)\_\_\_\_\_ a sound that feels like pain  
So (10)\_\_\_\_\_ understand  
This isn't just goodbye  
This is I can't stand you

## Fill in the gaps

### Answer
