

No It Isn't by Plus 44

Please understand
This isn't just goodbye
This is I can't stand you
This is where the road crashed into the ocean
It rises all around me
And now we're barely breathing
A thousand faces we'll choose to ignore
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation leaves me overjoyed
With fading lights that lead us past the lives that we destroy
I listen to you cry
A cry for less attention
But both my hands are tied
And I'm pushed into the deep end
I (1)_____ to you talk but talk is cheap
And my mouth is (2)_____ with blood
From trying not to speak
So search for an excuse
And someone to believe you
In foreign dressing rooms

Fill in the gaps

I'm (3)_____ (4)_____ the need to
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This desperation leaves me overjoyed
With fading (5)_____ that lead us (6)_____ the
lives that we destroy
Curse my enemies forever
Let's slit our wrists and burn down something beautiful
This (7)_____ is leaving me overjoyed
With fading lights that lead us past the lives that we destroy
Please understand
Lay rotting where I fall
I'm dead from bad intentions
Suffocated and embalmed
And now all our dreams are cashed in
You swore you wouldn't lose then lost your brain
You make a sound that (8)_____ like pain
So (9)_____ understand
This isn't just goodbye
This is I can't (10)_____ you
