Leave Before The Lights Come On by Arctic Monkeys

Well this is a good idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up together not quite (8)
He wouldn't do it if it wasn't one	how
Well my friend fancies you	Oh, but he's stretching and yawning
Oh, (1) a way to begin it all	It's always hard in the morning
You said it's always exciting words to hear	And I suppose that's the price you pay
And we woke up (2) not quite realizing	Oh, it isn't what it was
how	She's thinking he looks different today
Awkwardly (3) and yawning	And oh there's nothing left to guess now
It's always (4) in the morning	Quick, let's leave, before the lights come on
And I suppose that's the price you pay	'Cos then you don't have to see
Oh, it isn't (5) it was	'Cos (9) you don't (10) to see, what
She's thinking he looks different today	you've done
And oh there's nothing left to guess now	Quick, let's leave, before the lights come on
You (6) (7) the lights came on	'Cos then you don't have to see
Because you didn't want to ruin	'Cos then you don't have to see, what you've done
What it was that was brewing	I'll walk you up, what time's the bus come?
Before he absolutely had to	I'll walk you up, what time's the bus come?
And how can you wake up	
With someone you don't love?
