## Leave Before The Lights Come On by Arctic Monkeys

Well this is a good idea	Oh, he had a struggle
He wouldn't do it if it wasn't	And you woke up together not quite realising how
He wouldn't do it if it wasn't one	Oh, but he's stretching and yawning
Well my friend fancies you	It's always (7) in the morning
Oh, what a way to (1) it all	And I suppose that's the price you pay
You said it's always exciting words to hear	Oh, it isn't what it was
And we woke up together not quite realizing how	She's thinking he looks different today
Awkwardly stretching and yawning	And oh there's nothing left to guess now
It's always hard in the morning	Quick, let's leave, before the lights come on
And I suppose that's the (2) you pay	'Cos then you don't have to see
Oh, it isn't what it was	'Cos then you don't have to see, (8) you've done
She's thinking he looks different today	Quick, let's leave, before the lights come on
And oh there's nothing (3) to guess now	'Cos (9) you don't have to see
You left before the lights came on	'Cos then you don't have to see, what you've done
Because you didn't want to ruin	I'll walk you up, what time's the bus come?
What it was (4) was brewing	I'll (10) you up, what time's the bus come?
Before he (5) had to	
And how can you (6) up	
With someone you don't love?	
And not feel slightly fazed by it
