## Too Afraid To Love You by The Black Keys

My gears (1) grind	All (4) (5) nights
More (2) day	And all those (6) days
And I feel like	I (7) loneliness would leave me
They're gonna grind away	But I think he's here to stay
And the city blocks	What more can I do
They drive me wild	I'm wringing (8) dry
They're never ending	And I can't afford to lose
Mile (3) mile	One more teardrop from my eye
just don't know what to do	I'm too afraid
'm too afraid to love you	I'm too afraid
t's heaven on earth	I just don't (9) what to do
n her embrace	With myself
And her smiling face	Thinking all the time in you
'm just one wishing	Don't know what to do
「hat I was a pair	Don't know what to do
Vith someone	Drivin me outta my mind
Oh) somewhere	
just don't know what to do
