

Fill in the gaps

I remember black skies
The lightning all around me
I remember each flash
As time began to blur
Like a startling sound
That fate had finally found me
And your voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash this memory clean
Let the (1) cross
The distance in your eyes
Now (2) me reason
To fill this hole

Connect the space between Let it fill up To reach the truths and lies Across this new divide There was nothing left inside
Connect the space between Let it fill up To reach the truths and lies Across this new divide There was nothing left inside The memories left abandoned

That I get what I deserve

So give me reason
To prove me wrong
To wash this memory clean
Let the thoughts cross
The distance in your eyes
Across this new divide
And (4) loss and every lie
And every truth (5) you deny
And each regret and each goodbye
Was a mistake too great to hide
And your voice is all I heard
That I get what I deserve
So give me reason
To prove me wrong
To wash this (6) clean
Let the thoughts cross
The distance in your eyes
Give me reason
To fill this hole
Connect the space between
Let it fill up
To reach the truths and lies
Across this new divide
Across (7) new divide
