

## Fill in the gaps

Listen babe	Baby tell me why
Every time I see you I get a bad vibe	(When we were together)
Just thinkin of (1) else in between you	We never turned our backs on each other
And you thought you were slick had (2) up	(Oh) But now that we're separated
your sleeve	We can't stand one another
But I'm sick of your stupid act and I know you're tired of me	It's really over baby
That's why I say	Cause you did me wrong
(When we were together)	You did me wrong I thought you were true
We never turned our (3) on each other	You ran out of my life and now I'm so through with you
(Oh) But now that we're separated	I (7) when you used to sit there
We can't stand one another	I would hold you in my arms and you would say to me
I don't wanna be with you put that on everything I own	(Yeah)
I can't believe I stayed around that damn long	I would rub your body you would say to me (yeah)
If I never see you again I won't be mad at all	When we were (8) you'd say (yeah)
Cause I believe that you are my downfall	I can (9) your body sayin (yeah)
You did me wrong	Sounds so good to me (oh yeah, oh yeah yeah yeah)
You did me wrong I thought you were true	(When we (10) together)
You ran out of my life and now I'm so (4)	(We never turned our backs on each other)
with you	
I wanted you to be there right here with me (oh)	
When we (5) together	
We never turned our backs on each other	
(Oh) But now that we're separated	
We can't (6) one another
