

## Fill in the gaps

Listen babe	Baby tell me why
Every (1) I see you I get a bad vibe	(When we (6) together)
Just thinkin of someone else in between you	We never turned our backs on each other
And you thought you (2) slick had tricks up your	(Oh) But now (7) we're separated
sleeve	We can't stand one another
But I'm sick of your stupid act and I know you're tired of me	It's really over baby
That's why I say	Cause you did me wrong
(When we were together)	You did me wrong I thought you were true
We never turned our backs on each other	You ran out of my life and now I'm so through with you
(Oh) But now that we're separated	I remember when you used to sit there
We can't stand one another	I would hold you in my arms and you would say to me
I don't wanna be with you put that on everything I own	(Yeah)
I can't believe I stayed around that damn long	I would rub your body you would say to me (yeah)
If I never see you again I won't be mad at all	When we were (8) you'd say (yeah)
Cause I believe that you are my downfall	I can hear your body (9) (yeah)
You did me wrong	Sounds so good to me (oh yeah, oh yeah yeah yeah)
You did me (3) I thought you (4) true	(When we (10) together)
You ran out of my life and now I'm so through with you	(We never turned our backs on each other)
I wanted you to be (5) right here with me (oh)	
When we were together	
We never turned our backs on each other	
(Oh) But now that we're separated	
We can't stand one another
