

## Fill in the gaps

## Princes Of The Universe by Queen

Here we are	(Ooh, Ooh, Ooh, Ooh)
Born to be kings	People talk about you
We're the (1) of the universe	People say you've had your day
Here we belong	I'm a man (6) will go far
Fighting to survive	Fly the moon and reach for the stars
In a world (2) the (3) powers	With my sword and head held high
And here we are	Got to pass the test first time
We're the princes of the universe	I know that people talk about me I hear it every day
Here we belong	But I can (7) you wrong cos I'm right first time
Fighting for survival	Watch (8) man fly
We've come to be the rulers of (4) world	Bring on the girls
I am immortal	Here we are
I (5) inside me blood of kings	Born to be kings
I have no rival	We're the (9) of the universe
No man can be my equal	Here we belong
Take me to the future of your world	Born to be kings
Born to be kings	Princes of the universe
Princes of the universe	Fighting and free
Fighting and free	Got the world in my hands
Got your world in my hand	I'm here for your love
I'm here for your love and I'll make my stand	And I'll make my stand
We were born to be princes of the universe	We were born to be princes of the universe
No man could understand	
My power is in my own hand
