Well now		So Gloria steps out of the prison	
She don't (1) to see the sun ahead		Gloria's no longer the wasted disco girl	
Don't need that (2) from God above		You've been dreaming about	
If you're losing her don't be sad		Gloria alone now forever	
Cause she will offer you heart attacks		Gloria away in the air now	
She's tired of problems that you caused her mind		Gloria she's no longer your slave	
Tired of all those lies in your freak show		(No longer your slave)	
Tired of being alone at night		Gloria alone now forever	
Being the lowest cat on earth		Gloria away in the air now	
So Gloria steps out of the prison		Gloria she's no (9) your slave	
Gloria's no (3) the wasted disco girl		No, not anymore	
You've been dreaming about			
Gloria alone now forever		Gloria steps out of the prison	
Gloria away in the air now		Gloria's no longer the wasted (10)	_ girl
Gloria she's no (4)	your slave	You've been dreaming about	
It's time for you to see yourself		Gloria alone now forever	
All the misery you brought up		Gloria away in the air now	
Gloria's one day ahead		Gloria she's no longer your slave	
Watching you from the heaven's gate		No, not anymore	
She's (5) of problems that you caused her mind			
Tired of all those lies in your (6) show			
Tired of being (7) at night
