Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our (2)_____ combined like

A neutron star collision

I have nothing left to lose

You took (3)_____ time to choose

Then we told each other

With no (4)_____ of fear that...

Our love would be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our (5)_____ could be forever

Now I've got nothing left to lose

You (6)_____ your time to choose

I can (7)_____ you now without a trace of fear

That my (8)_____ will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our (9)_____ will be forever
