

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You (1)_____ on a mission
Then our hearts combined like
A (2)_____ star collision
I (3)_____ (4)_____ left to lose
You took (5)_____ (6)_____ to choose
Then we told each other
With no trace of (7)_____ that...
Our (8)_____ would be forever
And if we die, we die together
And lie, I said never
'Cause our love (9)_____ be forever
The world is broken
Halos fail to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, (10)_____ and proud

Their doctrines (11)_____ be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (12)_____ (13)_____ be forever
Now I've got nothing left to lose
You (14)_____ your (15)_____ to choose
I can (16)_____ you now (17)_____ a trace
of fear
That my love (18)_____ be forever
And we'll die, we'll die together
Lie, I will never
'Cause our love will be forever

Fill in the gaps

Answer

1. were
2. neutron
