

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our (2)_____ combined like

A (3)_____ star collision

I (4)_____ nothing (5)_____ to lose

You took your (6)_____ to choose

Then we told each other

With no (7)_____ of (8)_____ that...

Our love would be forever

And if we die, we die together

And lie, I (9)_____ never

'Cause our (10)_____ would be forever

The world is broken

Halos (11)_____ to glisten

You try to make a difference

But no one (12)_____ to listen

Hail, the preachers, fake and proud

Their doctrines (13)_____ be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our (14)_____ could be forever

Now I've got (15)_____ left to lose

You (16)_____ (17)_____ (18)_____ to choose

I can tell you now without a trace of fear

That my (19)_____ will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love (20)_____ be forever

Fill in the gaps

Answer

1. were
2. hearts
