Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our hearts combined like

A neutron star collision

I have nothing left to lose

You took your time to choose

Then we told each other

With no trace of (2)_____ that...

Our love (3)_____ be forever

And if we die, we die together

And lie, I said never

'Cause our (4)_____ would be forever

The world is broken

Halos fail to glisten

You try to make a difference

But no one wants to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our love (5)_____ be forever

Now I've got nothing left to lose

You take your time to choose

I can tell you now (6)_____ a trace of fear

That my (7)_____ will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever
