Neutron Star Collision (Love Is Forever) by Muse

I was searching		Their (4)	(5)	_ be cloud
You were on a mission		Then they'll dissipate		
Then our hearts combined like		Like snowflakes in an ocean		
A (1) (2)	collision	Love is forever		
I have nothing left to lose		And we'll die, we'll die togethe	r	
You took your time to choose		And lie, I say never		
Then we told each other		'Cause our (6) coul	d be forever	
With no trace of fear that		Now I've got nothing left to lose		
Our love would be forever		You take your (7) to	o choose	
And if we die, we die together		I can tell you now without a trace of fear		
And lie, I (3) never		That my love will be forever		
'Cause our love would be forever		And we'll die, we'll die togethe	r	
The world is broken		Lie, I (8) never		
Halos fail to glisten		'Cause our love will be forever		
You try to make a difference				
But no one wants to listen
