

## Fill in the gaps

### Neutron Star Collision (Love Is Forever) by Muse

I was searching  
You were on a mission  
Then our hearts combined like  
A neutron star collision  
I have nothing left to lose  
You took your time to choose  
Then we (1)\_\_\_\_\_ each other  
With no trace of fear that...  
Our (2)\_\_\_\_\_ would be forever  
And if we die, we die together  
And lie, I said never  
'Cause our (3)\_\_\_\_\_ would be forever  
The (4)\_\_\_\_\_ is broken  
Halos (5)\_\_\_\_\_ to glisten  
You try to make a difference  
But no one wants to listen  
Hail, the preachers, fake and proud

Their doctrines (6)\_\_\_\_\_ be cloud  
Then they'll dissipate  
Like (7)\_\_\_\_\_ in an ocean  
Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our love (8)\_\_\_\_\_ be forever  
Now I've got nothing left to lose  
You take your time to choose  
I can tell you now (9)\_\_\_\_\_ a trace of fear  
That my love will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our love will be forever

Answer

1. told
2. love
3. love
4. world
5. fail
6. will
7. snowflakes
8. could
9. without
