Wasted Years by Iron Maiden

Fill in the gaps

From the coast of gold, across the seven seas
I'm traveling on, far and wide
But now it seems, I'm just a stranger to myself
And all the things I sometimes do
It isn't me but someone else
I close my eyes, and think of home
Another city goes by, in the night
Ain't it funny how it is, you (1) miss it til it's gone
away
And my heart is lying there and (2) be til my dying
day
So understand
Don't waste your time
Always searching for those wasted years
Face up make your stand
And (3) you're (4) in the
golden years
Too much time on my hands, I got you on my mind
Can't ease this pain, so easily
When you can't find the words to say
It's hard to make it through (5) day

And it makes me wanna cry

And throw my hands up to the sky		
So understand		
Don't waste your time		
Always searching for those wasted years		
Face up make your stand		
And realize you're living in the golde	n years	
So understand		
Don't waste your time		
Always searching for those wasted y	rears	
Face up make your stand		
And realize you're (6)	_ in the golden years	
So understand		
Don't waste your time		
Always (7)	for (8)	
wasted years		
Face up make your stand		
And realize you're (9)	_ in the golden years
