From the coast of gold, across the (1) seas	And (16) my hands up to the sky
I'm traveling on, far and wide	So understand
But now it seems, I'm (2) a (3)	Don't (17) time
to myself	Always searching for (19) wasted years
And all the things I sometimes do	Face up (20) your stand
It isn't me but someone else	And (21) you're (22) in the
I close my eyes, and think of home	(23) years
Another (4) (5) by, in the night	So understand
Ain't it funny how it is, you (6) miss it til it's gone	Don't waste (24) time
away	Always searching for those wasted years
And my (7) is (8) there and	Face up make (25) stand
(9) be til my dying day	And realize you're living in the golden years
So understand	So understand
Don't waste (10) time	Don't waste (26) time
Always (11) for those wasted years	Always searching for those wasted years
Face up make your stand	Face up make your stand
And (12) you're living in the golden years	And realize you're living in the (27) years
Too much time on my hands, I got you on my mind	
Can't ease (13) pain, so easily	
When you can't find the words to say	
It's hard to make it through (14) day	
And it (15) me wanna cry
