

Fill in the gaps

I'm running out of ways to make you see		Just say yes just say there's (5) h	nolding
I want you to stay (1)	beside me	you back	
I wont be ok and I wont pretend I am		It's not a test nor a trick of the mind	
So just tell me today and take my hand		Only love	
Please take my hand		Just say yes cuz I'm aching I know you are too	
Just say yes		Won't accept (6) be wanting it	
Just say there's nothing (2) you back		I'll breathe you in	
It's not a test nor a trick of the	mind	I can (7) (8) heart b	beat
Only love		(9) your shirt	
It's so simple and you know it is		This is all I wanted all I want	
You know it is		It's obvious	
Yeah		And it's obvious	
We (3) be	to and fro like this all our lives	And it's obvious	
You're the only way to me		You're all I want	
The path is clear		You're all I want	
What do I have to say to you		Just say yes just say there's nothing holding you back	
And we'll all stay near		It's not a test nor a trick of the mind	
Can you also be		Only love	
Can you also be		Just say yes cuz I'm aching i know you are too	
Here to protect me		Won't accept I'll be wanting it	
Can you (4) be		I'll breathe you in
