Fill in the gaps

i try to picture the giri	On my, the congregation in my mind
Through a looking glass	Is this assembly singing of gratitude
And see her as a (1) atom	Practicing their loving for you
See her eyes and (2) back at them	Live high, live mighty
See that girl	Live righteously
As her own new world	Taking it easy
Though a home is on the surface, she is still a universe	Live high, (6) mighty
Glory God, oh God is peeking through the blinds	(Ooh) Live righteously
Are we all here standing naked	And sing it out
Taking guesses at the actual date and time	And just take it easy
Oh my, justifying reasons why	And celebrate the malleable reality
Is an absolutely insane resolution to live by	You see (7) is (8) as it seems
Live high, live mighty	Yeah, this life is but a dream
Live righteously	
Taking it easy	Live high, live high, live mighty mighty, oo
Live high, live mighty	Live righteously
Live righteously	And taking it easy
I try to picture the man	Live high, live mighty
To always have an open hand	(Ooh) Live righteously
And see him as a giving tree	Just take, just just, take it easy
See him as matter	Live high, live mighty, mighty
Matter fact he's not a beast	Live righteously
Oh no not the devil either	Taking it easy
Always a good (3) doer	Live high, live mighty
And it's laughter that we're making after all	(Ooh) Live righteously
The (4) of the wild is (5) an	Let's (9) it easy
ordination why	
And the order of the primates	

- 1. carbon
- 2. stare
- 3. deed
- 4. call
- 5. still
- 6. live
- 7. nothing
