

Fill in the gaps

Through The Fire And The Flames by DragonForce

On a (1)_____ winter morning, in the time before the light
In flames of death's eternal (2)_____ we ride towards
the fight
And the (3)_____ is falling down
And the times are tough all right
The sound of evil laughter falls around the world tonight
Fighting high, fighting on for the steel
Through the wastelands evermore
The scattered souls (4)_____ feel the hell bodies
Wasted on the shores
On the blackest waves in hells domain
We (5)_____ (6)_____ as they go
Through fire, pain and once (7)_____ we know
So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls
So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
As the red day is dawning
And the lightning cracks the sky
They raise their hands to the heavens above
As we send them to their lies

Running back through the mid-morning light
There's a burning in my heart
We're banished (8)_____ the time in the fallen land
To a light (9)_____ the stars
In the (10)_____ (11)_____ we do
believe
Our destiny this time
And endlessly we'll all be free tonight
And on the wings of a (12)_____ so far beyond reality
All alone in desperation now the time is gone
Lost inside you'll never find Lost (13)_____ my own
mind
Day after day this misery must go on
So far away we wait for the day
For the (14)_____ (15)_____ so wasted and
gone
We (16)_____ the pain of a lifetime lost in a thousand
days
Through the fire and the flames we (17)_____ on
Now here we stand (18)_____ their (19)_____ on
our hands
We (20)_____ so hard now can we understand
I'll (21)_____ the seal of this curse if I
(22)_____ can
For freedom of every man
So far away we wait for the day
For the (23)_____ source so (24)_____ and
gone
We feel the pain of a lifetime lost in a thousand days
Through the (25)_____ and the flames we carry on
