Through The Fire And The Flames by DragonForce

on a cold (1) morning, in the (2)	Running back through the mid-morning light
pefore the light	There's a (17) in my heart
n (3) of death's eternal reign we ride	We're banished from the (18) in the fallen land
4) the fight	To a light beyond the stars
And the darkness is falling down	In the blackest dreams we do believe
And the times are tough all right	Our destiny this time
The (5) of evil laughter falls around the world	And endlessly we'll all be free tonight
onight	And on the wings of a dream so far beyond reality
Fighting high, (6) on for the steel	All alone in desperation now the time is gone
Through the wastelands evermore	Lost inside you'll never (19) Lost
The scattered souls will feel the hell bodies	(20) my own mind
Nasted on the shores	Day (21) day this misery (22) go on
On the (7) (8) in hells	So far away we wait for the day
domain	For the light (23) so wasted and gone
Ne watch them as they go	We feel the pain of a lifetime lost in a thousand days
Through fire, pain and once again we know	Through the fire and the flames we (24) on
So now we fly ever free	Now here we (25) with their (26)
Ne're free (9) the thunderstorm	on our hands
On towards the wilderness our quest carries on	We fought so hard now can we understand
Far beyond the sundown, far beyond the moonlight	I'll break the seal of this curse if I possibly can
Deep inside our hearts and all our souls	For freedom of every man
So far away we wait for the day	So far away we wait for the day
For the light source so (10) and gone	For the light source so wasted and gone
We feel the pain of a (11) (12)	We feel the pain of a lifetime lost in a thousand days
in a thousand days	Through the (27) and the flames we
Γhrough the (13) and the (14) we	(28) on
carry on	
As the red day is dawning	
And the (15) cracks the sky	
They (16) their hands to the heavens above
