This Is The Last Time by Keane

Fill in the gaps

This is the last time	
That I will say these words	
remember the first time	
The first of (1) lies	
Sweep it into the corner	
Or hide it under the bed	
Say these things they go away	
But (2) never do	
Something I wasn't sure of	
But I was in the middle of	
Something I forget now	
But I've seen to little of	
The last time	
You fall on me for (3) you like	
You fall on me for (3) you like Your one last line	
Your one last line	
Your one last line You (4) on me for anything you like	you like
Your one last line You (4) on me for anything you like And years make everything alright	you like
Your one last line You (4) on me for anything you like And years make everything alright You (5) on me for (6)	you like
Your one last line You (4) on me for anything you like And years make everything alright You (5) on me for (6) And i, no I don't mind	you like
Your one last line You (4) on me for anything you like And years make everything alright You (5) on me for (6) And i, no I don't mind This is the last time	you like
Your one last line You (4) on me for anything you like And years make everything alright You (5) on me for (6) And i, no I don't mind This is the last time That I will (7) my face	you like
Your one last line You (4) on me for anything you like And years make everything alright You (5) on me for (6) And i, no I don't mind This is the last time That I will (7) my face One last tender lie	you like
Your one last line You (4) on me for anything you like And years make everything alright You (5) on me for (6) And i, no I don't mind This is the last time That I will (7) my face One last tender lie And then I'm out of this place	you like

Well I tried and I tried
