Once upon a time
We swore not to say goodbye
Something got a hold of us and we changed
Then you sat alone in pride
And I sat at home and cried
How'd our fairy tale just end up this way
We went round for round till we (1) love out
We were laying in the ring not making a sound
And if that's a metaphor of you and I
Why is it so hard to say goodbye
I can't (2) to hate you
Make you pain like I do
Still can't shake you off
I can't wait to breakthrough
These (3) changes
Seems like such a lost cause
I can't wait to face you
Break you down so low
There's no place left to go
I can't wait to hate you
No need to call my phone
'Cause I (4) my number today
And (5) fact, I think I'm moving away (away)

Sorry the frustration's got me feeling away And I just keep having one last thing to say And I just wanna hold you, touch you, feel you Be near you I miss you, baby, baby, baby, baby, baby, baby) I'm tired of trying to fake through But there's nothing I can do Boy I can't (6)_ ___ to hate you I can't wait to hate you Make you (7)__ like I do Still can't shake you off I can't wait to breakthrough These emotional changes Seems like such a lost 'cause I can't wait to face you Break you down so low There's no place left to go I can't wait to hate you, baby I can't wait to h-a-t-e you 'Cause right now I need you
