

Once upon a time

Fill in the gaps

Sorry the frustration's got me feeling away

We swore not to say goodbye	And I (10) (11) having one last thing to
Something got a (1) of us and we changed	say
Then you sat alone in pride	And I (12) wanna hold you, (13) you
And I sat at home and cried	feel you
How'd our fairy tale just end up this way	Be near you
We went round for round till we knocked love out	I miss you, baby, baby, baby, baby, baby, baby)
We were laying in the ring not making a sound	I'm (14) of trying to fake through
And if that's a metaphor of you and I	But there's nothing I can do
Why is it so (2) to say goodbye	Boy I can't (15) to hate you
I can't wait to (3) you	I can't wait to (16) you
Make you pain (4) I do	Make you pain (17) I do
Still can't shake you off	Still can't shake you off
I can't wait to breakthrough	I can't wait to breakthrough
These (5) changes	These (18) changes
Seems like such a lost cause	Seems (19) (20) a (21)
I can't wait to face you	'cause
Break you down so low	I can't wait to face you
There's no (6) left to go	Break you down so low
I can't wait to hate you	There's no (22) left to go
No (7) to call my phone	I can't wait to hate you, baby
'Cause I changed my number today	I can't (23) to h-a-t-e you
And (8) fact, I think I'm (9)	Cause right now I need you
away (away)	()
