When You Kiss Me by Shania Twain

Yeah	And when you're with me
This could be it	The world just goes away
I (1) I'm in love	The way you hold me
It's love this time	The way you show me
It just seems to fit	That you adore me
I think I'm in love	Oh, when you kiss me
This (2) is mine	(Mmm) Yeah
I can see you (3) me (4) I'm older	I can see you with me when I'm older
All my lonely nights are finally over	All my lonely nights are finally over
You took the weight of the world off my shoulders	You took the weight of the world off my shoulders
(The world just (5) away)	(The world (8) goes away)
Oh, when you kiss me	When you kiss me
I know you miss me	I (9) you miss me
And when you're with me	And when you're with me
The world just goes away	The world just goes away
The way you hold me	The way you hold me
The way you (6) me	The way you show me
That you adore me	That you (10) me
Oh, when you kiss me	The world just goes away
Oh, yeah	(When you kiss me)
You are the one	When you kiss me
I think I'm in love	(I know you miss me)
Life has begun	I know you miss me
(I think I'm in love)	(And when you're with me)
I can see the two of us together	Oh
I know I'm gonna be with you forever	The world just goes away
Love couldn't be any better	When you kiss me
(The world just (7) away)	
Oh, when you kiss me	
I know you miss me
