That I love you?

## You're The Reason (Acoustic) by Victoria Justice

I don't (1) to make a scene	You're the only reason that I'm not afraid to fly
I don't want to let you down	And it's crazy
Try to do my own thing	That someone could (5) me
And I'm starting to figure it out	Now no matter what it is I (6) to do
That it's alright	I'm not afraid to try
Keep it together wherever we go	And you need to know that you're the reason
And it's alright, oh well, whatever	Why
Everybody (2) to know	If it was raining, you would (7) at the sun
You might be crazy	Pick up the pieces when the damage is done
Have I told you lately	You say it's just another day in the shade
That I love you?	Look at what a mess we made
You're the only reason that I'm not (3) to fly	You might be crazy
And it's crazy	Have I told you lately
That someone could change me	That I love you?
Now no matter what it is I have to do	You're the only reason that I'm not afraid to fly
I'm not afraid to try	You might be crazy
And you need to know that you're the reason	Have I told you lately
Why	That I (8) you?
I don't even care when they say	You're the only reason that I'm not afraid to fly
You're a little bit off	And it's crazy
Look me in the eye, I say	That someone could change me
I could never get enough	Now no (9) what it is I have to do
'Cause it's alright	I'm not afraid to try
Keep it together wherever we go	And you need to know (10) you're the reason
And it's alright, oh well, whatever	Why
Everybody (4) to know	I don't want to make a scene
You might be crazy	I don't want to let you down
Have I told you lately
