

We were made to be courageous

Fill in the gaps

<u> </u>
We were made to lead the way
We could be the generation
That finally breaks the chains
We were made to be courageous
We were made to be courageous
We were warriors on the front lines
Standing, unafraid
But now we're watchers on the sidelines
While our families slip away
Where are you, men of courage?
You were made for so much more
Let the pounding of our hearts cry
We will serve the Lord
We were made to be courageous
And we're taking back the fight
We were (1) to be courageous
And it starts with us tonight
The (2) way we'll (3) stand
Is on our knees, we're lifting hands
Make us courageous
Lord, make us courageous
