

Now I'm standing alone in a crowded room

Fill in the gaps

I used to think one day we'd (1)	the story of us	And we're not speaking
How we met and the sparks flew instantly		And I'm dying to know
And people would say they're the lucky ones		Is it (15) you like it's killing me? yeah
I (2) to know my place was the spot (3)		I don't know what to say since a twist of fate
to you		When it all broke down
Now I'm searching the room for an empty seat		And the story of us (16) a lot like a
'Cause (4) I don't even know what page		(17) now
you're on		This is looking (18) a contest
(Oh) a simple complication		Of who can act (19) care less
Miscommunications (5) to fallout		But I liked it better (21) you were on my side
So many things that I wish you knew		The battle's your hands now
So (6) walls up I can't break through		But I would lay my armor down
Now I'm standing alone in a crowded room		If you said you'd rather (22) than fight
And we're not speaking		So many things that you wish I knew
And I'm dying to know		But the story of us might be ending soon
Is it (7) you like it's killing	g me? yeah	Now I'm (23) (24) in a
I don't know what to say since a twist of fate		crowded room
When it all broke down		And we're not speaking
And the story of us looks like a lot like a tragedy now		And I'm dying to know
Next chapter		Is it killing you like it's killing me? yeah
How'd we end up (8) way?		And I don't know what to say since a twist of fate
See me nervously pulling at my clothes		When it all (25) down
And trying to look busy		And the story of us
And you're doing (9) best to avoid me		Looks like a lot (26) a tragedy now, now, now
I'm starting to think one day		And we're not speaking
I'll (10) the story of us		And I'm dying to know
How I was losing my mind (11) I saw you here		Is it killing you like it's killing me? yeah
But you held (12) pride		I don't (27) what to say since a twist of fate
Like you should have held me		'Cause we're going down
(Oh) I'm scared to see the ending		And the story of us
Why are we pretending this is nothing?		Looks a lot like a (28) now
I'd tell you I (13) you but I don't know how		The end
I've never heard silence quite (14)
