The Story Of Us by Taylor Swift

Fill in the gaps

I (1) to think one day we'd tell the story of us	And we're not speaking
How we met and the sparks flew instantly	And I'm dying to know
And people would say they're the lucky ones	Is it killing you like it's killing me? yeah
I used to know my place was the spot next to you	I don't know what to say since a (7) of fate
Now I'm searching the room for an empty seat	When it all (8) down
'Cause lately I don't even know what page you're on	And the story of us looks a lot like a tragedy now
(Oh) a simple complication	This is looking like a contest
Miscommunications lead to fallout	Of who can act like they care less
So many things that I wish you knew	But I liked it better when you were on my side
So many walls up I can't break through	The battle's (9) hands now
Now I'm standing alone in a crowded room	But I would lay my armor down
And we're not speaking	If you said you'd rather love than fight
And I'm dying to know	So many things that you wish I knew
Is it killing you like it's killing me? yeah	But the story of us might be ending soon
I don't know what to say since a twist of fate	Now I'm standing alone in a crowded room
When it all broke down	And we're not speaking
And the (2) of us looks like a lot like a traged	And I'm dying to know
now	Is it killing you like it's killing me? yeah
Next chapter	And I don't know what to say since a twist of fate
How'd we end up this way?	When it all broke down
See me nervously (3) at my clothes	And the story of us
And trying to look busy	Looks like a lot like a tragedy now, now, now
And you're doing your best to avoid me	And we're not speaking
I'm starting to think one day	And I'm dying to know
I'll tell the story of us	Is it killing you like it's killing me? yeah
How I was losing my mind (4) I saw you here	I don't know what to say since a twist of fate
But you held your pride	'Cause we're going down
Like you should have held me	And the story of us
(Oh) I'm scared to see the ending	Looks a lot (10) a tragedy now
Why are we pretending this is nothing?	The end
I'd tell you I miss you but I don't know how	
I've never heard silence (5) this loud	
Now I'm (6) alone in a crowded room
