You better know you better now

Fill in the gaps

Everything Has Changed by Taylor Swift & Ed Sheeran

All I (1) this morning when I woke	I just want to know you know you know you
ls know (2) now	'Cause all I know is we said "hello"
Know something now I didn't before	And your eyes look like coming home
And all I've seen since eighteen hours ago	All I know is a simple name
Is green eyes and freckles and (3) smile	Everything has changed
In the back of my mind making me (4) like	All I know is you held the door
I just want to know you better know	You'll be mine and I'll be yours (oh)
You better know you better now	All I know since yesterday
I just want to know you better know	Is everything has changed
You better know you better now	Come back and tell me why
l just want to know you (5) know	I'm feeling like I've missed you all this time
You better know you better now	(Oh, oh, oh)
I just want to know you know you	And meet me (9) tonight
'Cause all I know is we said "hello"	Let me know that it's not all in my mind
And your eyes look like coming home	I just want to know you better know
