## Fill in the gaps

## Everything Has Changed by Taylor Swift & Ed Sheeran

All I knew this morning when I woke	I just want to know you know you
Is I know (1) now	'Cause all I (15) is we (16) "hello"
Know (2) now I didn't before	And your eyes (17) like coming home
And all I've seen since eighteen (3) ago	All I know is a simple name
Is green eyes and (4) and your smile	Everything has changed
In the back of my (5) making me feel like	All I know is you held the door
I just want to know you better know	You'll be mine and I'll be yours (oh)
You (6) you better now	All I know since yesterday
I just want to know you (8) know	ls (18) has changed
You better know you better now	Come back and tell me why
I (9) want to know you better know	I'm feeling (19) I've missed you all this time
You better know you better now	(Oh, oh, oh)
I just want to know you know you know you	And meet me there tonight
'Cause all I know is we said "hello"	Let me know that it's not all in my mind
And your eyes look like coming home	I just want to know you (20) know
All I know is a simple name	You better now you better now
Everything has changed	I (21) want to know you know you (22)
All I know is you held the door	you
You'll be mine and I'll be yours (oh)	All I (23) is we said "hello"
All I know since yesterday	Your eyes (24) like coming home
Is everything has changed	All I know is a simple name
And all my walls stood tall, (10) blue	Everything has changed
I'll take 'em down, take 'em down	All I know is you held the door
And (11) up the door for you	You'll be (25) and I'll be yours
And all I feel	All I (26) since yesterday
In my stomach is butterflies	Is everything has changed
The beautiful kind	All I know is we said "hello"
Makin' up for lost time	So dust off your highest hopes
Takin' flight making me feel like	All I know is pouring rain
I just want to know you better know	And everything has changed
You better know you (12) now	All I know is a new found grace
