Fill in the gaps

Viva La Vida (Cover) by Taylor Swift

I used to rule the world		It was a wicked and wild wind
Seas would rise when I gave the word		Blew down the doors to let me in
Now in the morning I (1)	_ alone	Shattered windows and the sound of drums
Sweep the streets I used to own I used to roll the dice Feel the fear in my (2) eyes Listen as the crowd would sing Now the old king is dead Long live the king		People (5) believe what I'd become
		Revolutionaries wait
Feel the fear in my (2)	eyes	For my head on a silver plate
Listen as the crowd would sing		Just a puppet on a lonely string
· ·		(Oh) who would ever wanna be king?
		I hear Jerusalem bells a-ringing
		Roman Cavalry choirs are singing
		Be my mirror, my sword and shield
And I discovered that my castles stand		My missionaries in a foreign field
Upon pillars of salt		For (6) reason I can't explain
Pillars of sand		I (7) Saint Peter won't call my name
ear Jerusalem bells a-ringing		Never an honest word
Roman Cavalry choirs are singing		But (8) was when I ruled the world
Be my mirror, my sword and shield		For some reason I can't explain
My (3)	_ in a foreign field	I know Saint (9) (10) call my
For some reason I can't explain		name
Once you go there was never		Never an honest word
Never an honest word		But that was when I ruled the world
But that was when I (4)	the world
