

Fill in the gaps

Viva La Vida (Cover) by Taylor Swift

I (1) to rule the world	It was a (10) and (11) wind
Seas would rise when I gave the word	Blew (12) the doors to let me in
Now in the morning I sleep alone	Shattered windows and the sound of drums
Sweep the streets I used to own	People couldn't (13) what I'd become
I used to roll the dice	Revolutionaries wait
Feel the fear in my enemy's eyes	For my head on a silver plate
Listen as the (2) would sing	Just a (14) on a lonely string
Now the old king is dead	(Oh) who would (15) (16) be king?
Long live the king	I hear Jerusalem (17) a-ringing
One (3) I held the keys	Roman Cavalry choirs are singing
Next the doors were closed on me	Be my mirror, my (18) and shield
And I discovered (4) my castles stand	My (19) in a
Upon pillars of salt	(20) field
Pillars of sand	For (21) reason I can't explain
I hear Jerusalem (5) a-ringing	I know (22) Peter won't call my name
Roman (6) choirs are singing	Never an (23) word
Be my mirror, my sword and shield	But (24) was when I ruled the world
My missionaries in a foreign field	For some reason I can't explain
For (7) (8) I can't explain	I (25) Saint Peter won't (26) my name
Once you go (9) was never	Never an honest word
Never an honest word	But that was when I ruled the world
But that was when I ruled the world
