I'm Only Me When I'm With You by Taylor Swift

Friday night (1) the st	ars	You say that you can't live without me
In a field behind your yard		I'm only up when you're not down
You and I are painting pictures in the sky		Don't wanna fly if you're (7) on the ground
And sometimes we don't say a thing		It's like no matter what I do
Just listen to the (2)	sing	Well, you drive me crazy half the time
Everything I need is (3) he	ere by my side	The other half I'm (8) trying
And I know everything about you		To let you know that what I feel is true
I don't wanna live without you		And I'm only me when I'm with you
I'm only up when you're not down		When I'm with anybody else
Don't wanna fly if you're still on the ground		It's so hard to be myself
It's like no matter what I do		And (9) you can see
Well, you drive me crazy half the time		That I'm only up when you're not down
The (4) half I'm only trying		Don't (10) fly if you're still on the ground
To let you know that what I feel is true		It's like no matter what I do
And I'm (5) me when I'm with you		Well, you drive me crazy half the time
Just a small town boy and girl		The other half I'm only trying
Livin' in a crazy world		To let you know that what I feel is true
Tryin' to figure out what is and isn't true		And I'm only me, who I wanna be
And I don't try to hide my tears		Well, I'm only me when I'm with you
The secrets all my deepest fears		With you
Through it all nobody gets me like you do		
And you (6) everything about	t me
