I'm Only Me When I'm With You by Taylor Swift

Friday hight beneath the stars		You say that you can't live (6)	me
In a field behind your yard		I'm (7) up when you're not down	
You and I are painting pictures in the sky		Don't wanna fly if you're still on the ground	
And (1) we don't say a th	ning	It's like no matter what I do	
Just listen to the crickets sing		Well, you drive me crazy half the time	
Everything I (2) is (3)	here by my	The other half I'm only trying	
side		To let you know that what I feel is true	
And I know everything about you		And I'm only me when I'm with you	
I don't wanna live without you		When I'm with anybody else	
I'm only up (4) you're not down		It's so hard to be myself	
Don't wanna fly if you're still on the ground		And only you can see	
It's like no matter what I do		That I'm only up when you're not down	
Well, you drive me crazy half the time		Don't wanna fly if you're still on the ground	
The other half I'm only trying		It's like no matter what I do	
To let you know that what I feel is true		Well, you drive me crazy half the time	
And I'm only me when I'm with you		The (8) half I'm only trying	
Just a small town boy and girl		To let you know that what I feel is true	
Livin' in a crazy world		And I'm only me, who I wanna be	
Tryin' to figure out what is and isn't true		Well, I'm only me when I'm (9) you	
And I don't try to hide my tears		With you	
The secrets all my deepest fears			
Through it all nobody gets me like you do			
And you know everything (5) me
